**Andrew Jackson, Sectionalism, Nullification and More- Scavenger Hunt**

**Directions:** Use your notes, books and partner to find the answers to the following questions:

1.) What **political party** was formed to support Jackson's presidency in the 1828 election?

2.) Many states extended voting rights (suffrage) to **more white males** and political parties began holding **nominating conventions** during a period of time known as what?

3.) After winning the election of 1828, Jackson awarded many political supporters with jobs. What is this known as?

4.) **Sectionalism**, when a region focuses more on their own interests than the interest of the entire nation, began to rear its ugly head during Jackson's administration. Complete the following chart outlining some of the differences with accurate information:

<b>North</b>	<b>_____</b>	<b>West</b>
Economy based on _____	_____ based on agriculture	Emerging economy
Support for tariffs- American goods could be sold at _____ prices than _____ goods could _____ goods	Opposition to _____, which increased the cost of imported goods	Support for internal improvements and the sale of _____ lands at cheap rates

5.) What did southerners refer to the tariff legislation signed in 1828 as? Why did they oppose this legislation (2 reasons)?

6.) What was the nullification crisis and what caused this conflict? How did the two sides of the argument eventually compromise?
