**One Last Time from the Hamilton Soundtrack- Lyrics**

**Directions:** As you listen to the song, place a star next to three warnings George Washington gave the nation in his farewell address.

Mr. President, you asked to see me

I know you're busy

What do you need sir?

Sir?

I wanna give you a word of warning

Sir, I don't know what you heard,  
but whatever it is, Jefferson started it

Thomas Jefferson resigned this morning

You're kidding

I need a favor

Whatever you say sir, Jefferson will pay for this behavior

Talk less

I'll use the press,  
I'll write under a pseudonym, you'll see what I can do to him

I need you to draft an address

Yes! He resigned, you can finally speak your mind

No. He's stepping down so he can run for President

Ha! Good luck defeating you, sir

I'm stepping down, I'm not running for President

I'm sorry, what?

One last time- relax, have a drink with me  
One last time.

Let's take a break tonight, and then we'll teach em how to say goodbye  
To say goodbye, you and I

No, sir, why?

I want to talk about neutrality

Sir, with Britain and France on the  
verge of war, is this the best time-

I want to warn against partisan fighting

But-

Pick up a pen start writing

I wanna talk about what I have learned  
The hard won wisdom I have earned

As far as the people are concerned, you have to serve  
You could continue to serve

No. One last time, the people will hear from me  
One last time, and if we get this right  
We're gonna teach' em how to say goodbye  
You and I

Mr. President- they will say you're weak

No- they will see we're strong

Your position is so unique

So I'll use it to move them along

Why do you have to say goodbye?

If I say goodbye, the nation learns to move on  
It outlives me when I'm gone  
Like the scripture says,  
Everyone shall sit under their own vine and fig tree  
And no one shall make them afraid  
They'll be safe in the nation we've made  
I want to sit under my own vine and fig tree  
A moment alone in the shade

At home, in this nation we've made  
One last time  
One last time

Though, in reviewing the incidents of my administration  
I am unconscious of intentional error.  
I am nevertheless too sensible of my  
defects not to think it probable that  
I may have committed many errors.  
I shall also carry with me the hope that  
my country will view them with indulgence;  
And that after 45 years of my life  
dedicated to its service with an upright zeal  
The faults of incompetent abilities will  
be consigned to oblivion,  
As I myself will soon be- to the mansions of rest.  
I anticipate with pleasing expectation  
that retreat in which I promised myself to  
realize, the sweet enjoyment of partaking  
In the midst of my fellow citizens  
The benign influence of good laws and a free government  
The ever-favorite object of my heart  
And the happy reward, as I trust, of a mutual cares  
Of labours, and dangers.

One last time  
(George Washington's going home)

We'll teach em how to say goodbye  
(George Washington's going home)

You and I  
(George Washington's going home)

Going home  
(George Washington's going home)

History has its eyes on you...  
We're gonna teach them how to say goodbye  
Teach them how to say goodbye  
To say goodbye, say goodbye  
One Last Time
